tiosborn@bu.edu.com

Education:

University of Minnesota

- Doctor of Dental Science (DDS)

Oregon Health and Science University

- Doctor of Medicine (MD)
- Oral & Maxillofacial Surgery (CAGS)

Dr. Timothy obtained a Doctor of Dental Science degree (DDS) from the University of Minnesota and a Certificate of Advanced Graduate Study (CAGS) in Oral Maxillofacial Surgery. He also obtained a Doctor of Medicine (MD) degree from Oregon Health and Science University.

During his resident training he received an award for Best Surgical Resident by the Graduate Medical Education Department. He has held many leadership positions at local, regional and national levels during his education. These include the positions of:

- Vice President of the American Student Dental Association (2003- 2004)
- District Representative of the Resident Organization of the American Association of Oral and Maxillofacial Surgeons (2004-2006)

Dr. Osborn has contributed to the literature with numerous book chapters and journal articles and won an award for Most Outstanding Article published in the Journal of Oral and Maxillofacial Surgery in 2009. He is a peer reviewer for many professional journals.

His clinical practice includes the full scope of facial cosmetic surgery and he also specializes in advanced techniques for the surgical management of facial pain and migraines. His other surgical interests include:

- surgical management of patients with benign and malignant head and neck pathology
- obstructive sleep apnea
- maxillofacial trauma
- reconstructive surgery
